### WORK EXPERIENCE AND HIGHLIGHTS

#### **Application Development Senior Analyst**

2022 – Present

*Accenture Inc. – Avanade*

- **Growth Insights Analytics** - Wrote SCOPE scripts to analyze data and telemetry, driving growth strategies for a major data platform under a global tech company.
- **PRSS DevOps** - Took part in developing a certificate provisioning system for a leading gaming brand using *ASP.NET Core microservices* and *gRPC*. Migrated *.NET Framework* projects to *.NET Core*, improving performance and scalability.
- **ATOM NxtGen** - Led a team to migrate from *Angular* to *React*, improving performance and UX. Created *ASP.NET Core* Web API endpoints, designed reusable UI components for maintainability and consistency, and mentored junior developers.
- **Journal Entry Automation** - Developed an automated workflow using *Azure Logic Apps* and *Azure Functions with C#* to classify and process emails into journal entries.

#### **Application Development Analyst**

2021 – 2022

*Accenture Inc. – Avanade*

- **Data Engineering for a Gaming Services Platform** - Built automated data pipelines in *Azure Data Factory* to extract data from multiple sources, created data transformation scripts in *SCOPE* for reporting and marketing insights, and developed *Power BI* dashboards with *DAX* formulas for dynamic visuals.

#### **Application Development Associate**

2020 – 2021

*Accenture Inc. – Avanade*

- Contributed to *Power Platform* projects: developed applications with *Power Apps*, automated workflows with *Power Automate*, created data reports with *Power BI*, built chatbots with *Power VA*.

### SKILLS

**Areas of expertise:** C#, the .NET ecosystem, React, Unit Testing, Azure Services (Azure SQL DB, Azure Cosmos DB, Azure Functions, Azure Data Factory, etc.), Microsoft Power Platform (Power Apps, Power Automate, Power BI, etc.), REST API, HTML, CSS (Flexbox, Grid) and frameworks, vanilla JavaScript.

**Experienced in:** gRPC, Azure Service Fabric, Angular, Vue, Azure DevOps (CI/CD), PHP, jQuery

### EDUCATION AND CERTIFICATIONS

**AZ-900** – Microsoft Azure Fundamentals

2020

**Bachelor of Science in Computer Science** – University of Santo Tomas

2019
